TexNex Technologies

Innovating Textile Supply Chains, Fiber to Fabric

TexNex Technologies

Your Global Partner for Sustainable Fiber, Yarn & Fabric Sourcing

Smarter Solutions. Stronger Partnerships.

About Us

At TexNex Technologies, we bridge innovation with tradition, connecting global textile markets through cutting-edge sourcing solutions. With over 20 years of expertise, we specialize in ethically sourcing premium fibers, yarns, and fabrics for brands, manufacturers, and designers worldwide.

Our Mission: To revolutionize textile supply chains with transparency, technology, and sustainability at every thread.

Our Services

Fiber Sourcing

Natural, Synthetic, and Specialty Fibers

- **Natural**: Organic Cotton, Wool, Silk, Linen, Hemp, Bamboo
- **Synthetic**: Recycled Polyester, Nylon, Spandex, Acrylic
- **Specialty**: Carbon Fiber, Aramid, Biodegradable PLA
- **Certifications**: GOTS, Oeko-Tex, USDA Organic

Yarn Solutions

From Spun to Technical Yarns

- **Types**: Ring-Spun, Open-End, Core-Spun, Melange, Fancy, Metallic
- **Blends**: Cotton-Poly, Wool-Acrylic, Custom Ratios
- **Innovations**: Moisture-Wicking, Antimicrobial, Flame-Resistant

Fabric Sourcing

Woven, Knitted, and Non-Woven Fabrics

- **Woven**: Denim, Twill, Canvas, Chiffon, Taffeta
- **Knit**: Jersey, Interlock, Rib, Fleece, Technical Knits
- **Eco-Fabrics**: Recycled PET, Tencel™, Organic Hemp, Deadstock Materials

---

Why Choose TexNex?

✅ **Global Network**: Partnerships with 200+ mills across 15+ countries
✅ **Quality Assurance**: Rigorous lab testing for durability, colorfastness, and compliance
✅ **Tech-Driven**: AI-powered sourcing platform for real-time inventory tracking
✅ **Sustainability First**: 40% of our materials are recycled or biodegradable
✅ **Speed-to-Market**: 30% faster lead times via optimized logistics

---

Sustainability Commitment

We don't just source—we steward.

- **Zero Waste Programs**: Upcycling production leftovers
- **Carbon-Neutral Shipping**: Partnering with eco-certified logistics
- **Ethical Sourcing**: Fair Trade-certified farms and factories
